2. These Materials is for personal use only. Do not distribute or resell. You can share the link to [www.earlylearningeasy.com](http://www.earlylearningeasy.com) for others to download.

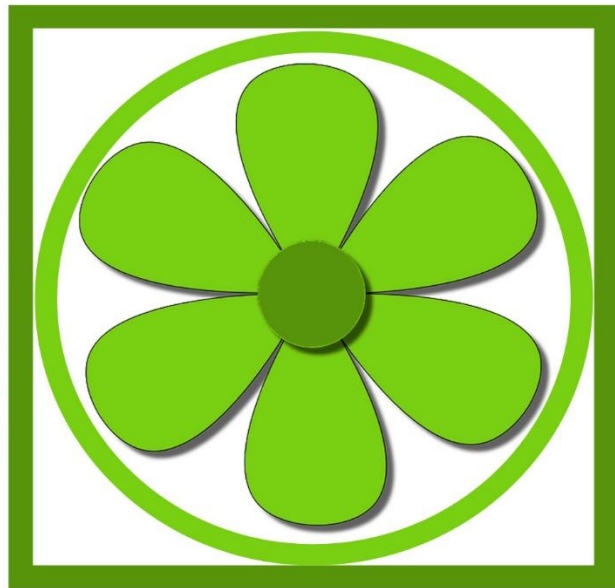

### Instructions

1. Print the Pages. Laminate page 2-5. Page 2-3 can remain in sheets and used as color recognition/match palette. Pages 4-5 are for cutting out and using Velcro on the back for children to match them from.
2. Matching activity for toddlers age 1-3. This learning set is easy to play and introduces colors to your toddler. It teaches to differentiate among colors. You may start in teaching at once just 2-3 colors by cutting out the matching sheets in column or row. Then later increase the difficulty and let the child match the entire sheet of 6 colors.
